Dear Members,

We have great pleasure in forwarding herewith the Calendar of Programmes for the Members for the year 2026-27 commencing from April 2026.

The Sabha enters an eventful phase of its illustrious institutional journey in furthering the cause of fine arts, culture and traditions of our blessed nation. **On 6th November 2026, the Sabha would commence its Amrut Mahotsav – 75 years**, a defining moment in our legacy of trust, exceptional service and excellence in fostering culture and community healthcare. “Maragatha Vadivum” rendered by MS (in Raga Chenchurutti) accompanied by her mother Smt. Madurai Shanmukha Vadivu on Veena and released by Twin Recording Company. The flat disc has Oothikuzhiyile on the other side. It is a recording in praise of Goddess Madurai Meenakshi. In 1927, she gave her first public performance in Trichinopoly now (Tiruchirappalli). **Commencement of the centenary celebrations of the Mahavidhushi ascending the concert stage.**

Live playing of the original Vinyl disc of the Twin Recording Company “Maragatha Vadivum”

100 years of Sangeetha Seva of Dr M. S. Subbulakshmi

Tracing her musical footprints by Shanmukha Sangeetha Shiromani Smt. Vasudha Ravi – Carnatic Vocal on 11.09.2026

To the array of awards and recognitions given by the Sabha, a new journey begins with the institution of **Sangeetha Kala Vibhushan (Sankeertan) to Shri. Mahesh Kale on 16th January 2027 followed by his “Yatra”**. This would be a ticketed programme. Members can avail of the discounted fare of Rs. 250/- only for themselves.

The Sabha is approaching **Tirumala Tirupathi Devasthanams (TTD)** for Amrut Mahotsava Anugraham with the celestial marriage of Lord Venkateswara with Padmavati Thayar. It would be celebrated over two days on 20th and 21st February 2027. This event is open for non-members as well. Members will get preferential seats in a block earmarked for them.

Last year, we introduced a fee of Rs. 1200/- plus GST for life members who had paid onetime life membership subscription of less than Rs. 10,000/- as **Activity Fees**. Life members above 80 years of age were exempted from the Activity fees. 505 out of 940 life members on roll paid the Activity fees. Life members in default of Activity fees payment of last year can attend current years programme open to members only if they pay the arrears of Activity fees and also the current year Activity fees of Rs. 1200/- plus GST in due time. I appeal to all the Life members to pay the Activity fees and strengthen the financial resources of the Sabha. Your contribution would strengthen our financial bandwidth to invite several young artistes across the country to experience our stage. Any member bringing in at least two new Life members would be exempted from both the Activity fees and in the case of Ordinary members, from the subscription for the year itself. The current Life membership fees is Rs. 60,180/- including GST.

During the year the Sabha celebrated the Golden Jubilee of its cultural journal "Shanmukha" on 19th February 2026. Dr. Sandhya Purecha, Chairperson of the Central Sangeet Natak Akademi, Ministry of Culture, Government of India presided over the function. Padmashri Guru Kalyanasundaram Pillai, the noted Bharata Natyam exponent was the Guest of Honour. The Sabha released a special volume on the occasion of the Golden Jubilee celebrations. Members are requested to buy the Golden Jubilee edition to get a complete overview of Shanmukha's contribution to furthering the cause of music and dance in the country.

It is priced at Rs.200. Back volumes are available at a price of Rs. 50/-.

In a major initiative to strengthen our community healthcare activities, the Sabha commenced the Sri Shanmukhananda RBL Bank Dialysis Technician Training School with generous CSR contribution support from RBL Bank Limited for three years. The programme is open to students with HSC (Science) including those

failed. The duration is six months. While all the students are exempt from Tuition Fees, they would pay only Rs. 3000/-towards examination fees, cost of books and handouts and on the job training. Successful students will be absorbed as Training Technicians in the Sabha's Dialysis Centre for a period of one year with a stipend of Rs. 15,000/- per month. Based on the performance of the Trainees, a few of them would be observed in the regular employment of the Dialysis centre. Please spread the good word and enlist eligible students for this academic programme.

I am tired and exhausted at my repeated appeals to our members to attend the various programmes held for their benefit. It appears to be falling on deaf ears, unmindful of the disastrous consequences it has on the performing artistes and the art itself. It has come to a point that most celebrated artistes who would draw full houses in the past are asking for their concerts to be shifted to smaller auditoria. Atleast the feel of a near full small auditorium will propel them to give their very best. Please plan your engagements to attend at least 25% of the annual programmes. If you have any suggestions to bring back the members to the Auditorium, do write to the Hon. Secretaries. If found feasible, we will incorporate the same into our overall **“Back to Live Classical Performances”** action plan.

Varsha Pirappu & Baisakhi on (14/04/2026), Vishu on (15/04/2026) are round the corner. I extend to all, in advance the greetings of the new year and wish you and your family good health, contentment and abundant prosperity. Together let us revive patronage to classical art. **“A new Beginning, Renewed Hope”**.

With regards,
Yours sincerely,

Dr. V. Shankar
President
